

4th Quarter Reward Day Survey

Our 4th quarter Reward Day is scheduled for May 25th and includes the following options:

1. Six Flags Great America (**8th grade only**): approximate cost: \$55.00
2. Kalahari Water/Amusement Park: approximate cost: \$35.00
3. Milwaukee Brewer game versus the Washington Nationals: approximate cost: \$25.00

****Although the Great America trip is reserved for 8th graders, 8th grade students can also choose from the other two trips. 6th and 7th grade students can select the Brewer or Kalahari trip.****

In order to secure good tickets for the baseball game, we need to survey students now to find out which trip they are planning on attending. Discuss the trip with your friends and **turn in the form signed by a parent or guardian to your Prime Time teacher by Wednesday, Feb. 16th.**

Write in the blank below the trip below that you plan to attend. Also, bring the form home and discuss it with your parents to be sure that they approve of your trip choice. Also, our staff prefers that students stick with their original trip-choice. People choosing the Brewer game, you absolutely cannot change your mind because tickets are going to be ordered this week to secure seats. Be sure that your parent/guardian signs the form as well before returning it to your Prime Time teacher.
