

# Not One More Child

Alicia was 13 years old when she began talking with "friends" on the Internet. One "friend" ended up abducting, torturing, and raping Alicia.

Alicia will talk about her abduction and rescue, and what children can do to protect themselves from the hands of an Internet predator.

Alicia's mother, Mary, will speak as a parent about her horrifying search for Alicia.

**Wisconsin Association of Computer Crime Investigators Presents:  
Alicia and Mary Kozakiewicz**
